Note:

1. Media Rate is for per campaign period of minimum one month. In case of extension of campaign period, such extension shall be treated as a fresh camping period, and the rate shall be charged as per applicable rate for such extended period.
2. The space types shown in the table are only indicative and are subject to change, as per evolving innovative solutions in utilizing the interior and exterior space, considering market dynamics and needs.
3. All transit-advertising artworks are subject to approval from Mowasalat.
4. All branding material used should be conforming to branding guidelines, standard quality or equivalent as per Mowasalat material specifications.

Booking & Branding Procedure

1. The Media Agency is required to send an initial indent for tentative booking to Mowasalat.
2. The space will be booked tentatively for one working day, if available.
3. The confirmed booking order should be received within a maximum of 10 working days prior to the start of the campaign, and should include all related approved documents (as indicated in the contract).
4. Mowasalat will send the quotation with the requested campaign details for booking confirmation to the Media Agency for signing and stamping. The completed documents should be then sent back for processing.
5. All artworks are to be cleared by Mowasalat within two working days from the date of booking order.
6. The commissioning and decommissioning process should be completed within 72 hours (on working days only) or such other timeframe notified by Mowasalat, whichever comes first, after the vehicles are provided by Mowasalat.
7. Branded vehicles will be allowed to go on the road only from the start date of the campaign.
8. After the vehicle branding process is completed, Mowasalat will provide a copy of the job completion report to the Media Agency representative.
9. Mowasalat ensures that branded vehicles are given priority to go on the road.
10. In the event of extension of campaign period or request for increasing number of vehicles by the agency, Mowasalat will accommodate the new request subject to fleet availability.
11. Once the campaign decommissioning is finished, and branding removal is completed without damage/incident, Mowasalat will provide a copy of the job completion report to the Media Agency representative.
12. In case of any cancellation or postponement of advertisement, Mowasalat should receive such cancellation or postponement of order not later than 14 calendar days before the start of the advertisement campaign; or else Mowasalat will impose cancellation charges at the rate shown below:

If the cancellation is received a maximum of seven working days before the start of the campaign period, 50% of the fee will be charged; thereafter 100% of the fee will be due.
13. Contract terms and conditions apply.
